## **THIRTY-SECOND SUNDAY IN ORDINARY TIME**

Today's scriptures summon us to reflect on all the great gifts God has given us, and enjoin us to be generous with these gifts. As we bless the God who has blessed us with so much, we must always remember those who are in need. It is our obligation to care for our brothers and sisters in whatever way we are able. The poor woman in today's Gospel demonstrates the way in which we are to be generous. She gave all she had.

In what ways is your own giving similar to the kind of generosity we see in the example of the poor woman in today's Gospel?

**FAZ be with you!****by Fr. Arnold Zamora**

A LADY tells a friend” “When I die, I want my remains cremated and my ashes scattered at the mall.”

Puzzled, the friend asks: “Isn’t that weird? Why?” The lady replies, “So my children will always visit me.”

As you smile right now, don’t forget your deceased loved ones. Pray for them and you can even pray to them.

The whole month of November is dedicated to remembering our deceased loved ones. This Sunday, November 8, at the 11:30 AM Mass, we will be remembering in a special way all our deceased parishioners who have died in the past year (from November 2008 to October 2009). May they rest in peace!

I was looking at the All Soul’s Novena envelope that was neatly glued to a collection box at our church and the beautiful thoughts of my deceased father came to mind. I was able to see him few weeks before he died but I did not have the chance to attend his funeral for it was too expensive for me to go home again so soon. At the hospital, although he was confined because of a heart ailment, he did not advise me to look after the wellness of my heart. His last words to me were: “take care of your soul.”

So here’s a story:

Once upon a time there was this girl who had four boyfriends.

She loved the 4th boyfriend the most and adorned him with rich robes and treated him to the finest of delicacies. She gave him nothing but the best.

She also loved the 3rd boyfriend very much and was always showing him off to neighboring kingdoms. However, she feared that one day he would leave her for another.

She also loved her 2nd boyfriend. He was her confidant and was always kind, considerate and patient with her. Whenever this girl faced a problem, she could confide in him, and he would help her get through the difficult times.

The girl’s 1st boyfriend was a very loyal partner and had made great contributions in maintaining her wealth and kingdom. However, she did not love the first boyfriend. Although he loved her deeply, she hardly took notice of him!

One day, the girl fell ill and she knew her time was short. She thought of her luxurious life and wondered, “I now have four boyfriends with me, but when I die, I’ll be all alone.”

Thus, she asked the 4th boyfriend, "I loved you the most, endowed you with the finest clothing and showered great care over you. Now that I'm dying, will you follow me and keep me company?"

"No way!" replied the 4th boyfriend, and he walked away without another word. His answer cut like a sharp knife right into her heart.

*Continued in next column...*

**FAZ be with you!**

*...continued from column from left*

The sad girl then asked the 3rd boyfriend, "I loved you all my life. Now that I'm dying, will you follow me and keep me company?"

"No!" replied the 3rd boyfriend. "Life is too good! When you die, I'm going to marry someone else!"

Her heart sank and turned cold.

She then asked the 2nd boyfriend, "I have always turned to you for help and you've always been there for me. When I die, will you follow me and keep me company?"

"I'm sorry, I can't help you out this time!" replied the 2nd boyfriend. "At the very most, I can only walk with you to your grave."

His answer struck her like a bolt of lightning, and the girl was devastated.

Then a voice called out: "I'll go with you. I'll follow you no matter where you go."

The girl looked up, and there was her first boyfriend. He was very skinny as he suffered from malnutrition and neglect.

Greatly grieved, the girl said, "I should have taken much better care of you when I had the chance!"

In truth, you have 4 boyfriends in your lives:

Your 4th boyfriend is your body. No matter how much time and effort you lavish in making it look good, it will leave you when you die.

Your 3rd boyfriend is your possessions, status and wealth. When you die, it will all go to others.

Your 2nd boyfriend is your family and friends. No matter how much they have been there for you, the furthest they can stay by you is up to the grave.

And your 1st boyfriend is your Soul, often neglected in pursuit of wealth, power and pleasures of the world.

However, your Soul is the only thing that will follow you wherever you go. Cultivate, strengthen and cherish it now, for it is the only part of you that will follow you to the throne of God and continue with you throughout Eternity.

PAZ or La Paz in Spanish means “peace.” “FAZ be with you!” is my humble prayer for peace, peace in our lands, peace in our homes, peace in our hearts and peace in our souls. AMEN.

**FLEA MARKET/FAIR TRADE FUNDRAISING**

On November 28th & 29th, the Religious Education program at Holy Name Church will be having a "Flea Market/Fair Trade Fund Raising" event to support the Fair Trade farmers/families and to support our Religious Education Program. The event will be hosted by the Lay Canossians. After each Mass, you are all invited to come down to the Flanagan Center, where you can get some great bargains for a great price and support Fair Trade by purchasing coffee and GREAT chocolate!

## United States Conference of Catholic Bishops

### Tell Congress: Remove Abortion Funding & Mandates from Needed Health Care Reform

Congress is preparing to debate health care reform legislation on the House and Senate floors. Genuine health care reform should protect the life and dignity of all people from the moment of conception until natural death. The U.S. bishops' conference has concluded that all committee approved bills are seriously deficient on the issues of abortion and conscience, and do not provide adequate access to health care for immigrants and the poor. The bills will have to change or the bishops have pledged to oppose them.

Our nation is at a crossroads. Policies adopted in health care reform will have an impact for good or ill for years to come. None of the bills retains longstanding current policies against abortion funding or abortion coverage mandates, and none fully protects conscience rights in health care.

As the U.S. bishops' letter of October 8 states: "No one should be required to pay for or participate in abortion. It is essential that the legislation clearly apply to this new program longstanding and widely supported federal restrictions on abortion funding and mandates, and protections for rights of conscience. No current bill meets this test.... If acceptable language in these areas cannot be found, we will have to oppose the health care bill vigorously." For the full text of this letter and more information on proposed legislation and the bishops' advocacy for authentic health care reform, visit: [www.usccb.org/healthcare](http://www.usccb.org/healthcare).

Congressional leaders are attempting to put together final bills for floor consideration. Please contact your Representative and Senators today and urge them to fix these bills with the pro-life amendments noted below. Otherwise much needed health care reform will have to be opposed. Health care reform should be about saving lives, not destroying them. ACTION: Contact Members through e-mail, phone calls or FAX letters.

To send a pre-written, instant e-mail to Congress go to [www.usccb.org/action](http://www.usccb.org/action).

Call the U.S. Capitol switchboard at: 202-224-3121, or call your Members' local offices.

Full contact info can be found on Members' web sites at [www.house.gov](http://www.house.gov) & [www.senate.gov](http://www.senate.gov).

#### MESSAGE to SENATE:

"During floor debate on the health care reform bill, please support an amendment to incorporate longstanding policies against abortion funding and in favor of conscience rights. If these serious concerns are not addressed, the final bill should be opposed."

#### MESSAGE to HOUSE:

"Please support the Stupak Amendment that addresses essential pro-life concerns on abortion funding and conscience rights in the health care reform bill. Help ensure that the Rule for the bill allows a vote on this amendment. If these serious concerns are not addressed, the final bill should be opposed."

WHEN: Both House and Senate are preparing for floor votes now. **Act today! Thank you!**
